**Montana Commerce Department  
Tourism Infrastructure Improvement Program & Grant Award  
Summary  
(Updated January 2009)**

The Tourism Infrastructure Investment Program (TIIP) invests a portion of Travel Montana's "bed tax" funding into new tourism-related infrastructure products, the enhancement of existing tourism facilities, and the preservation of Montana's historical and cultural treasures.

Since its creation in 1995, TIIP has invested over \$3 million in "bed tax" funds into 69 projects in 42 communities across Montana. This investment has helped created over \$39 million in new or improved tourism facilities in Montana.

The primary goal of this program is to create or improve attractions and services that will entice visitors to spend more time and money in Montana's communities. The program also aims at helping communities and organizations improve the quality of life for Montanans.

Non-profit sponsors or communities are eligible to apply for TIIP funds. The funds are awarded on an annual basis through a competitive application process. Sponsors are required to invest \$1 for every \$2 in TIIP Grant funds received for their project. The minimum TIIP grant is \$20,000. In 2009, Travel Montana is planning to provide \$300,000 in TIIP grant funds.
